

**Raghavan Iyer      A GREAT LENS**

It is possible to focus that light of universal wisdom, continual contemplation and eternal ideation within a matrix created by the love, unity and joint heroic efforts of a nucleus of human beings formed over a period of time. Thus, it is possible to bring down onto the plane of mundane human existence glimpses and rays, sparks and flashes, of that divine light of wisdom that is all-potent on its own plane but is otherwise latent and unavailable. Collectively, a group of human beings can become like a great lens for the drawing down of the light of unmanifest wisdom into our globe to meet the cries of pain, the hungers and the longings of myriads of minds and hearts.
